## **MEMBERSHIP INFORMATION AND APPLICATION INSTRUCTIONS**

### **Eligibility:**

New Members must own or have unrestricted use of a Jayco recreational vehicle.

### **Application and Monies to be paid:**

All parts of the Club's official Application Form must be completed and submitted to the Club Secretary. Full membership becomes effective once the application is accepted and approved by the Club Committee. Following this, you would be able to attend two trial rallies, which must be taken within 6 months of applying, to assure yourselves that you would like to join our particular club. If you intend to travel extensively between your two Rallies, please let us know so that we can extend your trial period to take this into consideration.

### **"Cooling Off" period:**

The Club has a cooling off period that lasts until 6 weeks after the second rally is attended. During this period New Members, or the Committee, may cancel the membership without reason and all nomination, club membership fees are refunded.

### **Fees and Costs:**

Fees and costs of membership are:

- a) A once only fee of \$50.00 per application
- b) An annual membership fee of \$35 per van, which covers the membership year from 1<sup>st</sup> January to 31<sup>st</sup> December. If your application and payment is received in the latter part of the year, i.e. October to December, you would not be expected to pay an additional membership fee in December of the same year.

Email your Application or send by post (include a cheque if applicable) to the address shown on the front of this form. Please let the Club Secretary know if you have made a payment by Bank Transfer.

### **Attending Rallies:**

New Members cannot attend any Club rallies or functions until their application has been accepted by the Committee. This is required for insurance purposes.

After an application has been accepted by the Committee, the Club's Rally Coordinator will contact New Members to arrange the date and place of their first rally.

Club By-Laws require that all Members attend at least 3 Rallies per year. Members are exempt from this requirement if they provide prior written notice to the Committee that they will not be able to attend the required number of rallies in the financial year.

Members register their interest to attend a Rally themselves by putting their name on the appropriate sheet in the Club's Rally Book. This can be done at Rallies, or by contacting the Rally Coordinator who is the custodian of the Rally Book.

**Pets:** Members are not permitted to bring animals to Club Rallies, functions and activities

**Smoking:** is not permitted at Club Rallies and functions.
