

Do you own a Jayco?

All our Club Members own a Jayco...

Maybe you'd like to join our Club!

Some of the Benefits of Joining Our Club:

Making friends with like-minded people: Foster new friendships; join in on topics of common interest in a relaxed and friendly atmosphere... and don't forget our **Happy Hour** is a great place to swap those caravanning stories!

- ❖ **Seeing more places:** The opportunity of visiting numerous Caravan Parks, Farms, Bush Camps, attractions and destinations that may be outside your usual experiences.
- ❖ **Enjoying your Recreational Vehicle all Year:** We are confident that once you have attended a couple of the rallies, you will be putting your name down for more!
- ❖ **Learning more about your Jayco:** Pick-up hints on caravanning; exchange ideas and get first-hand knowledge and experience on maintaining, improving or modifying your Caravan or Motorhome.

How Our Club Works:-

- ❖ We are governed by a Committee that is elected annually by our Club Members.
- ❖ We have a Constitution in line with other Caravan Clubs and the *Department of Commerce Associations Act*.
- ❖ We are a member of **WAACCI**.
- ❖ (*Western Australia Association of Caravan Clubs Inc*)
- ❖ We hold rallies on an approximate monthly basis.
- ❖ Rallies generally start on a Friday evening and conclude on a Sunday morning.
- ❖ Long-weekend rallies are further afield and end on a Monday morning.
- ❖ We have had extended week long "Roving Rallies."
- ❖ Most rallies are in Caravan Parks, while others are at venues with fewer facilities.
- ❖ Activities such as visiting local attractions, bush walking, scenic drives, picnics and group BBQs are planned for each rally with Members choosing their own level of participation.

Our Club's Objectives:

To provide our Members with an environment of fun, friendship, adventure, social contact and an opportunity to maximise the use of their **Jayco** recreational vehicle.

Our Offer To You:-

- ❖ We can arrange for you to attend two **Trial Rallies**.
- ❖ These trial rallies will give you a chance to meet us and to see what we do and whether the Club is right for you.
- ❖ There is no obligation to become full members following your **Trial Rallies!**
